

Remarks

In response to the Office Action mailed on April 29, 2008, the Applicants respectfully request reconsideration based on the above claim amendments and the following remarks. In the present application, all of the pending claims are allowed and prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935). Claim 25 is objected to for depending from canceled claim 23. In response, claim 25 has been amended to depend from allowed claim 17. Furthermore, in response to the Examiner's request in a telephonic communication held on April 29, 2008, formal drawings are submitted herewith for the Examiner's approval. It is respectfully that the formal drawings do not add new matter to the application.

Conclusion

In view of the foregoing amendments and remarks, this application is now in condition for allowance. A notice to this effect is respectfully requested. If the Examiner believes, after this amendment, that the application is not in condition for allowance, the Examiner is invited to call the Applicant's attorney at the number listed below.
